

October 10, 2010

The Emergency Preparedness Resources and Possible Grant Matrix identify known resources and grants for agencies. The grants may support Homeland Security efforts. They include all hazards training, information gathering, equipment purchase and funding opportunities.

The matrix uses a four-column table.

- The left column “Possible Resources” identifies current and known resources. The title of each resource includes the related homeland security departments, agencies, programs or grants. The titles do not indicate your likelihood of getting a grant. You should explore any grant opportunity. You may be pleasantly surprised.
- The center left column “Web Links” is the direct link to the possible resource in that row.
- The center right column “Washington Point of Contact” is the person or agency in Washington State that you may contact for more information and help. All contacts have confirmed their availability to assist.
- The far right column identifies the intent or focus of the grants in that row

This resource matrix was developed by several organizations and tribes in Washington State. These include the Department of Health, Emergency Management Department, Agriculture Department and Region 10 Department of Homeland Security. Should you discover an out-of-date web link or additional resource, please email, mike.smith@doh.wa.gov.

Thank you and good luck with your grant search.

Emergency Preparedness Resources And Possible Grant Opportunities Matrix

October 10, 2010

| Possible Resources | Web Link | Washington Point of Contact | Focus or Opportunity within the Grants |
|--|--|--|--|
| Homeland Security FEMA/DHS | http://www.grants.gov/ http://www.rkb.mipt.org (Responder Knowledge Base website) | Regional Homeland Security Coordinators http://www.emd.wa.gov/grants/grants_index.shtml | NIMS Training, Equipment, Exercises, etc. |
